	<a href="http://www.scoop.it/t/dual-language-education">http://www.scoop.it/t/dual-language-education</a>	¡CHISPA! Dual Language Education -Resources, news, and inspiration for dual language educators

## Interactive Spanish Language iPad Apps for *Students*

Name of App	Description	Price
Paso a Paso And Paso a Paso 2 	Spanish Language App with a focus on Phonemic awareness skills such as blending and segmenting sounds and syllables. This is one of my favorite apps to use with emerging readers. It has a variety of engaging games that provide the students immediate feedback as they engage. Target Age Range: 4-7	Free- Limited \$2.99-full access
Lectura Magica 	Spanish Reading Skills App Students can practice blending and segmenting sounds to read unknown words. Target Age Range: 4-6	Free
Sentence Builder	Students listen to a sentence and then choose words	Free-

<p>Spanish</p> 	<p>from a word bank to put the words in the order of the sentence that was read. This app is a little more advanced and moves into word reading and grammar skills. Target Age Range 4-8</p>	<p>Introductory Lessons \$3.99- full access</p>
<p>DeCuentos</p> 	<p>DeCuentos brings traditional storytime into the virtual world. It includes a long list of videos of various native Spanish speakers reading children's books aloud. The videos are interactive and often include a story-board that the story teller uses to animate the story for the students. Target Age Range 3-9</p>	<p>Free</p>
<p>GoComics Spanish</p> 	<p>This is a great app for our older students who are reading in Spanish and are looking for a fun and engaging Spanish read. Target Age Range- 9+</p>	<p>Free- Limited \$.99- Full ad-free Version</p>
<p>Rosetta Stone Spanish App</p> 	<p>Rosetta Stone Kids Lingo Letter Sounds Lingo Letter Sounds combines all the basics of a fun app – adorable characters, beautiful graphics, and cute games – with effective reading and speaking practice. Kids can play with letter sounds in bubbles to improve English reading skills or use the Spanish Speak &amp; Learn game to see if their pronunciation of common words is good enough to make the characters move and dance Target Age Range: 3-6</p>	<p>Free</p>
